Take care of the materials provided by the coaches/mentors. This includes a computer and other materials that may be used for the team's research and presentation.
- Use your meeting time wisely and effectively by refraining from doing other activities that may distract you from your team's goals or FLL challenge work.

### **W for Willingness to Learn**

### **S for Safety**

- 2 adults must be present at every team meeting to oversee the student team members.
- When the team is in a public area, student must inform the adult in charge if they need to leave the team area. Team member should not leave a team area without a coach's permission. We encourage coaches to instill the "buddy system" during tournaments.
- Before leaving the meeting area, team members must make sure that all materials are put back in place and that team belongings are secure.

### **FLL Core Values:**

- We are a team. We do the work to find solutions with guidance from our coaches and mentors.
- We honor the spirit of friendly competition. What we discover is more important than what we win.
- We share our experiences with others. We display Gracious Professionalism in everything we do.
- We have fun.

### **How will FLL Parent Coaches and Oak Hill PTA address behavioral concerns:**

1. Initial offense will result in a verbal reminder from parent coaches/mentors.
2. Second offense, depending on behavior, may result in student being asked to "take a break" or be moved to a different task group. Coaches/mentors should inform the parents/guardians about their behavioral concerns.
3. Consistent offenses will result in consulting with the PTA and parent. PTA and/or coach may ask the parent to be present during the team meetings to assist in reinforcing in their child a positive behavior during team activities.
4. If student remains disruptive to coaches and teammates, even after the parent and PTA intervention, then the student may be asked to withdraw from the program.
