Approval of Previous Meeting Minutes	March ^{22nd}, 2026, PTA General meeting
Principals' Reports	Principal: Kelly Durso - Provide an update on Oakhill field day; grateful to some family volunteers who came in and supported out - Chantilly Art Show, which is always a lovely night where our talented artists get to be celebrated. ○ Marti: 95% chance we're all going to Skyview next year. Are those programs going to be in place for next year relating to Skyview? ○ Kelly: Do not have any information on that. ○ Input from attendee: Felt like there was very little communication about Art show. The fact that it was a week when we got back from spring break was really tough - Scoop Night, which ended up being a great success. - We had a strings concert, a chorus concert. Our band concert is coming up soon. Last week was Staff Appreciation Week. - Heads up on Raptor badge roll out to access school facilities. - Question to Mrs. Dorso from an attendee: one of the third-grade parents posted on Facebook a couple weeks ago and said that their kids in third grade were very nervous about SOLs, and echoed many other parents of OEHS students, Pass Advance vs Pass Proficient, does it really impact the progress to next academic year. What are we supposed to say? How do we interpret it

	○ Kelly: SOL is one snapshot of one day of a student's educational career, and it does not define the student. We have a high-performing school, and the students also put a lot of pressure on themselves. It's one of the reasons why we went to mixed homerooms in three through six. A child at Oak Hill must realize that they are valued learners and human beings, not because of their test score, but because of who they are.
